ADDITIONAL INFORMATION

- **All our warehouses are insured. However, if clients require insurance for their products, they must arrange it themselves. We do not provide product insurance.**
- **We offer software integration for FBM sellers and seamless connectivity with almost all marketplaces. We receive your orders in real time and fulfill them the same day if placed before 3:00 p.m. ET.**
- **Our warehouses do not have temperature-controlled storage.**
- **We operate multiple warehouses in the New Jersey area and allocate clients to the most suitable one based on their needs.**
- **If you require any additional services, please feel free to contact us. You can reach us via email at support@pickpackship.us.**
